

## **Table of Contents**

### **INTRODUCTION**

A Snapshot of Alameda County .....	1
The Countywide Transportation System .....	1
Congestion in the Bay Area and Alameda County .....	4
Managing Congestion in Alameda County .....	6
Our Role .....	7
The Plan .....	7

### **1 — A VISION OF THE FUTURE**

Background .....	11
A Vision of Our Future Transportation Needs .....	12
Our Goals and Performance Objectives .....	13
A Framework for Choices .....	17
Available Resources Versus Present and Future Needs .....	19
Reconciling Limited Resources and Critical Needs .....	20

## **2 — EXISTING AND FUTURE CONDITIONS**

Roadway and Transit Service Measures .....	23
Existing Conditions .....	23
Travel Patterns .....	24
Performance of the System .....	28
Future Transportation Conditions .....	45
Conclusions .....	58

## **3 — A DIVERSIFIED STRATEGY**

A Diversified Strategy .....	61
The Elements of the Diversified Strategy .....	63

## **4 — MANAGEMENT STRATEGIES**

Priority for the Maintenance and Operation of Existing Facilities .....	66
Priority for Critical Freight Routes .....	67
Strengthening the Transportation and Land-Use Connection .....	68
Corridor Management Planning .....	69
Planning for Strategic Treatment of Hubs and Gateways .....	71
Telecommuting and Work-at-Home Arrangements .....	76
Pricing Policies and Other Conservation Incentives .....	76
Management Strategies and Policies .....	77

**5 — REVENUE**

What Funding Sources Are Available? .....	79
How Much Do We Expect? .....	81
Commitment to Existing System .....	81
Revenues Available for New Investment.....	82
How Funding is Limited .....	83
Equitable Distribution of Funds .....	84
Revenue Issues .....	85
Regional/County Gas Tax .....	89
Bridge Toll Increase .....	89
Advocacy for Transit Operating Funds .....	89
Revenue Policies .....	90

**6 — CAPITAL INVESTMENT PROGRAM**

Investment Policies .....	91
Funding Challenges .....	92
Capital Investment Program .....	92
Committed Projects .....	93
Regional Transit Expansion Candidates .....	114
Flexibility in the Use of Fund Sources .....	114
Relationship of Investment Program to <i>Countywide Transportation Plan</i> Goals .....	115
Implementation Issues .....	116

**7 — MONITORING AND EVALUATION**

A Systemwide Approach .....	121
-----------------------------	-----

**8 — IMPLEMENTATION ISSUES**

Short-Term .....	127
Long-Term .....	128
Ongoing .....	128

**APPENDIX A — EXISTING AND FUTURE CONDITIONS,**

<b>SUPPLEMENTAL INFORMATION .....</b>	129
---------------------------------------	-----

**TABLES**

1.1 — Goals, Requirements and Key Priorities .....	18
2.1 — Future Conditions, Summary of Applied Performance Measures .....	37
2.2 — Growth Increment in Alameda County (1990-2025).....	43
2.3 — Summary of Future Transportation Improvement Scenarios .....	44
2.4 — Changes in A.M. Peak Hour Transportation Performance .....	49
2.5 — Changes in P.M. Peak Hour, Daily Mode Choice and Daily Transit Transportation Performance .....	50
5.1 — Committed Funds in the Regional Transportation Plan, 2001-2025 .....	82
6.1 — Committed Projects .....	94
6.2 — MTC's Regional System Management and Service Programs .....	98
6.3 — 2001 <i>Countywide Transportation Plan</i> Investment Program .....	100

6.4 — Blueprint Projects .....	111
6.5 — How Tier 1 Meets Countywide Goals .....	117
7.1 — Performance Measures .....	123
A.1 — Existing Transit Operations Key Performance Measures (1999-2000) .....	137
A.2 — Accident Rate on State Freeways within Alameda County, 1995 through 1999 .....	140
A.3 — Crimes Reported At BART Stations In Alameda County, 2000 .....	141
A.4 — Crimes Reported on the AC Transit Systemwide, 1993-94 through 1999-2000 .....	142

## **FIGURES**

I.1 — Metropolitan Transportation System Streets and Highway System in Alameda County .....	2
I.2 — Metropolitan Transportation System Transit Corridors .....	3
2.1 — 2001 Top 10 Congested Locations in Alameda County .....	30
2.2 — Demographic Projections for Alameda County .....	42
2.3 — 2025 Top A.M. Peak Hour Congestion Locations in Alameda County .....	46
2.4 — 2025 Top P.M. Peak Hour Congestion Locations in Alameda County .....	47
4.1 — Corridor/Area Management Planning .....	73
5.1 — Future Revenue Sources .....	86
6.1 — Tier 1 Projects and Programs .....	99
6.2 — Tier 2 Projects and Programs .....	110

A.1 — Metropolitan Transportation System, Streets and Highway System in Alameda County .....	135
A.2 — Metropolitan Transportation System, Transit Corridors .....	136
A.3 — Public Opinion, Percentage of People	
Saying Transportation is the Number One Problem in the Bay Area .....	139
A.4 — Distribution of Peak-Hour Commute Person-Trips .....	145
A.5 — 2025 Baseline Congested Roadways, A.M. Peak Hour, North County .....	146
A.6 — 2025 Baseline Congested Roadways, P.M. Peak Hour, North County .....	147
A.7 — 2025 Tier 1 Congested Roadways, A.M. Peak Hour , North County .....	148
A.8 — 2025 Tier 1 Congested Roadways, P.M. Peak Hour, North County .....	149
A.9 — 2025 Baseline Congested Roadways, A.M. Peak Hour, North Central County .....	150
A.10 — 2025 Baseline Congested Roadways, P.M. Peak Hour, North Central County .....	151
A.11 — 2025 Tier 1 Congested Roadways, A.M. Peak Hour, North Central County .....	152
A.12 — 2025 Tier 1 Congested Roadways, P.M. Peak Hour, North Central County .....	153
A.13 — 2025 Baseline Congested Roadways, A.M. Peak Hour, Central County .....	154
A.14 — 2025 Baseline Congested Roadways, P.M. Peak Hour, Central County .....	155
A.15 — 2025 Tier 1 Congested Roadways, A.M. Peak Hour, Central County .....	156
A.16 — 2025 Tier 1 Congested Roadways, P.M. Peak Hour - Central County .....	157
A.17 — 2025 Baseline Congested Roadways, A.M. Peak Hour, South County .....	158
A.18 — 2025 Baseline Congested Roadways, P.M. Peak Hour, South County .....	159
A.19 — 2025 Tier 1 Congested Roadways, A.M. Peak Hour, South County .....	160
A.20 — 2025 Tier 1 Congested Roadways, P.M. Peak Hour, South County .....	161
A.21 — 2025 Baseline Congested Roadways, A.M. Peak Hour, East County .....	162

A.22 — 2025 Baseline Congested Roadways, P.M. Peak Hour, East County .....	163
A.23 — 2025 Tier 1 Congested Roadways, A.M. Peak Hour, East County .....	164
A.24 — 2025 Tier 1 Congested Roadways, P.M. Peak Hour, East County .....	165

## CHARTS

5.1 — Available Revenues, Bay Area .....	81
6.1 — RTP Update Committed Funds .....	91
6.2 — Uncommitted Funds .....	92
6.3 — Tier 1 Projects .....	93
